

CROXLEY

TENNIS CLUB

2023-2024

MEMBERSHIP GUIDANCE NOTES

WITH DISCLAIMERS

1) Membership Categories

Please note that fees for all categories (except J below) include an LTA club affiliation fee, as well as free membership of Croxley Guild of Sport. As we now use Clubspark to manage membership at the club, you will also need to become a member of British Tennis (the LTA) when you become a member which is free for club members.

A – Full Adult

Gives full membership rights, including access to all senior social sessions, eligibility to enter principal club tournaments, and to represent the club in team competitions.

C – Midweek

Allows play from Monday to Friday only until 4pm.

B – Young Adult

Gives full membership rights to those aged between 18 and 25. Designed for those members who are not in full time education, perhaps those returning from University or in their first job and looking to return to CTC.

D – Full Time Student (18+)

Category for full time students as classified by Herts County Council – A person who takes more than 12 credit hours, or the equivalent, at a post-secondary institution in a school term.

E – Junior (aged 14-17)

F – Junior (aged 9-13)

G – Junior Associate (aged 8 and under)

(NB: – The Committee may decide from time to time to categorise certain Junior Members as Approved Juniors. Approved juniors may play under the same arrangements as Full Adult Members and in competitive events).

J – Carer

This allows an adult to play with their junior son or daughter when courts are available. This is not a bona fide membership category and provides visitor status only. This is transferrable between family members. All other membership categories have court priority.

K – Adult Coaching Only

Any adult who is receiving coaching from one of our qualified coaches but who is not a member under any of the categories above must take out this membership. Should they later convert to another membership category, what they have paid for their adult coaching only status will be deducted from their membership fee. This does not entitle the individual to attend any club coaching sessions, such as Sunday morning drills. This is not a bona fide membership category and provides visitor status only.

2) Communication and electronic media

Email

Email – It is the Clubs Policy to communicate with Members regarding a range of Club related matters, via email. By paying your Membership Fees you agree to this Policy.

The LTA wishes for us to collect data on the profile of our club members. The information requested relates to gender, ethnicity, disability and age only. Monitoring is recommended by organisations such as the Commission for Racial Equality, the Disability Rights Commissioner, the Equal Opportunities Commission, Sport England and UK Sport as a measure of the progress an organisation is making to eliminate discrimination and to ensure it is open and inclusive. The information you provide will allow us to establish base level data.

3) Family Discount

A Full Adult member may claim a £20 discount for each additional member (excluding Adult Coaching and Carer
